

Dear Friends and Family,

I recently accepted the challenge to raise funds to support Amnion Crisis Pregnancy Center in the I Love Life! Walk on Saturday, May 17th. Amnion CPC provides free, life-saving assistance to pregnant women in crisis. I will be walking with my family in honor of : (insert an example) our ___ children; my ___ nieces and nephews, ___ our baby that passed away; my grandparents who were strong pro-life Christians, etc.

One in four women will end their pregnancies due to lack of compassionate care and practical assistance. It is my goal to help Amnion Crisis Pregnancy Center provide women with the following free services: pregnancy testing, ultrasounds, counsel for the young woman, man and parents throughout the unplanned pregnancy, maternity and baby supplies, evangelism and bible studies, post abortion grief counseling, middle and high school abstinence presentations.

Please join me by pledging support of my participation in the I Love Life! Walk or by directly contributing generously to Amnion Crisis Pregnancy Center. Your tax-deductible contribution will fund innovative outreach and awareness programs for underserved women in crisis in our community.

You can contact me by email and provide me with your complete mailing address and your pledge amount or you can send your tax-deductible contribution and mention my name as your walker to the address listed below. Whatever you can give will really help! I truly appreciate your support and will keep you posted on my progress.

Thank you so much for your time and support of this important outreach to help moms find hope for their future and their baby's future! Every step counts for life!

Your Friend,

(insert your name)

P.S. Please email me back with your mailing address and the amount that you will sponsor me. To learn more about Amnion CPC's check out their website at: www.amnioncpc.org/friends
